MYSORE STATE REFUGEES RELIEF COMMITTEE, BANGALORE.

Notification dated 30th December 1947.

The public of Mysore are now familiar with the sad tale of the refugees that have over flowed from West Punjab, Sindh and Hyderabad into various parts of the Indian Dominion as an immediate result of the partition of the country from the 15th August 1947. The number of refugees and the magnitude of the problem imposed the heaviest strain upon the newly formed Indian Government which faced the problem with exemplary energy and decision, without reckoning the cost and established a fabric of elaborate organization to deal with the refugees immediately while contemplating their final settlement and absorption in suitable places throughout the country. They also appealed to the Provincial Governments and the States to receive and absorb as many refugees as possible, and in response to this human call Provinces and States offered to receive refugees in accordance with their respective capacities. Accordingly, our Mysore State has offered to take and settle about 5,000 refugees, and for this purpose has how set up an organization called the *Mysore State Refugee Relief Committee* and a Commissioner of Refugees with staff. It need hardly be stressed that the work of the Committee can only be successful with the enthusiastic support and most generous contributions from the humanitarian public of our country, and the President and the Members of the Committee earnestly appeal to all the citizens of the country, and particularly to the well-to-do classes, to aid the Committee in its great humanitarian work through both their personal influence and liberal pecuniary contributions. The gentlemen and ladies that intend to remit amounts for this beneficent purpose will kindly credit their contributions to the Mysore Bank or to any of its branches or to any Government Treasury within the State.

Notification dated 7th January 1948.

It has been represented by the several cloth Merchants, Association in the State that the inclusion of powerloom cloth manufactured by Factories having less than 25 looms on five yards basis has caused a great hardship to the consumers inasmuch as the variety of cloth produced by these factories are of a very inferior type and the prices of these cloths when compared to mill cloth are very exhorbitant and that consequently the consumers are not purchasing these goods from the retailers, resulting in the accumulation of the stock with the latter.

The quota holders, wholesalers and the Factory owners are consulted in this connection. All are of opinion that, in the interest of the consumers, and dealers it is desirable to decontrol the distribution of powerloom goods referred to above.

Therefore, in partial modification of this office Notification No. T4-24235, dated 29th May 1946 issued on the subject, it is hereby ordered that the manufacturers of power loom cloth with less than 25 looms in the State and wholesalers and quota holders of these cloth may sell these cloths to any licensed dealer in the State making due entries in the quota card of the retailer without counting against the annual quota of the dealer. However, the sale of this cloth to any particular dealer shall not exceed two bales per month. In no case, the cloth should be sold to persons other than licensed dealer and to places outside the State.

The retailers in turn are hereby permitted to sell this cloth without counting against the quota of the consuming public and no sale of this cloth need be entered in the cloth coupon

This order shall come into force from 8th January 1948 and it does not apply to the powerloom cloth supplied to the State towards November quota of the

Notification dated 8th January 1948.

The Public of Bangalore City are hereby informed that they may purchase Mill cloth from the respective shops of Bangalore City assigned to them, on production of the Cloth Coupon issued to them during the year 1947 along with the Food Ration Cards. These old cloth coupons will be current as a temporary measure till the end of March 1948. Further, they have also been permitted to purchase such quantity of cloth pending in their cloth coupon not purchased during the year 1947. They are requested to paste a paper measuring 9" × 9" to their cloth coupon and present them to the dealers to have the seal of the shop affixed before any purchases are made.

The dealers of cloth in Bangalore City are hereby instructed that the sale of mill cloth to any coupon holder shall not exceed more than one month's quota at a time during the month excluding the balance of cloth from the previous months.

OFFICE OF THE CONTROLLER OF CIVIL SUPPLIES IN MYSORE, BANGALORE.

Notification dated 7th January 1948.

It has been represented by the several cloth Merchants, Association in the State that the inclusion of powerloom cloth manufactured by Factories having less than 25 looms on five yards basis has caused a great hardship to the consumers inasmuch as the variety of cloth produced by these factories are of a very inferior type and the prices of these cloths when compared to mill cloth are very exhorbitant and that consequently the consumers are not purchasing these goods from the retailers, resulting in the accumulation of the stock with the latter.

The quota holders, wholesalers and the Factory owners are consulted in this connection. All are of opinion that, in the interest of the consumers, and dealers it is desirable to decontrol the distribution of powerloom goods referred to above.

Therefore, in partial modification of this office Notification No. T4-24235, dated 29th May 1946 issued on the subject, it is hereby ordered that the manufacturers of power loom cloth with less than 25 looms in the State and wholesalers and quota holders of these cloth may sell these cloths to any licensed dealer in the State making due entries in the quota card of the retailer without counting against the

The retailers in turn are hereby permitted to sell this cloth without counting against the quota of the consuming public and no sale of this cloth need be entered in the cloth coupon.

This order shall come into force from 8th January 1948 and it does not apply to the powerloom cloth supplied to the Distributors in the State towards November quota of the Districts. Disregard of these instructions by the producers, wholesalers and retailers is liable to be dealt with very severely.

OFFICE OF THE CONTROLLER OF CIVIL SUPPLIES IN MYSORE, BANGALORE.

Notification dated 7th January 1948.

It has been represented by the several cloth Merchants, Association in the State that the inclusion of powerloom cloth manufactured by Factories having less than 25 looms on five yards basis has caused a great hardship to the consumers inasmuch as the variety of cloth produced by these factories are of a very inferior type and the prices of these cloths when compared to mill cloth are very exhorbitant and that consequently the consumers are not purchasing these goods from the retailers, resulting in the accumulation of the stock with the latter.

The quota holders, wholesalers and the Factory owners are consulted in this connection. All are of opinion that, in the interest of the consumers, and dealers it is desirable to decontrol the distribution of powerloom goods referred to above.

Therefore, in partial modification of this office Notification No. T4-24235, dated 29th May 1946

of the dealer. However, the sale of this cloth to any particular dealer shall not exceed two bales per month. In no case, the cloth should be sold to persons other than licensed dealer and to places outside the State.

The retailers in turn are hereby permitted to sell this cloth without counting against the quota of the consuming public and no sale of this cloth need be entered in the cloth coupon.

This order shall come into force from 8th January 1948 and it does not apply to the powerloom cloth supplied to the Distributors in the State towards November quota of the Districts. Disregard of these instructions by the producers, wholesalers and retailers is liable to be dealt with very severely.

FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

Notification dated 17th February 1948.

To

All Drawing Officers in the State.

Subject:—Advance of one month's pay granted in August 1947 being shown as an item of recovery in the Last Pay Certificate of Retired officials.

No. 949—Pen. Adverting to G. O. No. Fl. 1155-1224—S. & A. 34-47-2, dated 14th August 1947, sanctioning an advance of one month's pay to all non-gazetted servants in the State and directing that this advance is to be set off against the arrears of pay that would accrue by giving retrospective effect to the revised scales of pay after their allocation into the revised scales of pay is approved by Government, it is noticed that drawing officers have been showing the advances as outstanding against officials who have retired from service subsequent to the date of the above Government Order and as an item of recovery in the Last Pay Certificates of such officials. As the recovery of this advance from the pension of these officials would work as a hardship on them (as it is meant to be recovered from the arrears of pay due to them) the drawing officers are instructed to show this advance with a specific remark that it is to be recovered from arrears of pay while preparing the Last Pay Certificates of such officials.

1. 100 per cent of the cash on hand, balances with banks and post office savings bank.

2. 90 per cent of the market value of Government securities including the postal cash certificates or the National Savings Certificates.

3. 80 per cent of the market value of the debentures of land mortgage banks and also of other trustee securities such as Municipal loans, etc.

4. 80 per cent of the fixed deposits with other banks.

Where financial accommodation in the form of overdraft, cash credit or otherwise has been arranged with other banks against the pledge of securities or fixed deposits, full amount of the undrawn portion of the accommodation may be included in the fluid resources; but the securities or the fixed deposits so pledged should be omitted for the purpose of calculating the amount of fluid resources.

The practice follows by various Provinces and States with regard to the inclusion of fixed deposits with other banks in fluid resources was the subject matter of a circular letter from us, No. ACD. 790—AC. 36 (1) 45-46 of the 2nd November 1946, in which we suggested that fixed deposits with other approved banks may be included among fluid resources upto 80 per cent of their amount, since ordinarily fixed deposit receipts with good banks serve as cover for overdrafts from the bank issuing the fixed deposit receipt. We are glad to note that most of the Provinces and States have agreed to our suggestion; we have, therefore, recommended the inclusion of fixed deposits among fluid resources in B (4) above. The presumption, of course, is that the banks concerned are working on approved banking lines, are financially sound and are on the list of the banks approved by the Registrar of Co-operative Societies for investment of Co-operative funds.

(1) Financial Secretary's letter No. Fl. 4092—S. & A. 25-47-47, dated 20th January 1948.

The Interim Relief already granted on the basis of pay as

(*a*) The number of men to be shown against a particular vacancy as a result of the first incumbent being O. O. D. should be restricted to the minimum extent to avoid extra cost.

(*b*) The Deputy Commissioners may, after consulting the Local Bodies, obtain orders of Government for extending the benefit of revision to the officials of the Revenue Department working in the several Local Bodies.

(*c*) Orders of Government may be awaited regarding the revision of the scales of pay of the staff working in the Food Department.

(*d*) The weightage sanctioned is on the basis of total service on account of hard times. Therefore, the weightage increments are not affected by the non-passing of the Departmental Examinations ; but, further increments stand affected.

(*e*) Definition of "E.B." varies from Department to Department according to the nature of service or the Examinations prescribed. Orders of Government in the Administrative Department may be obtained by the respective Heads of Departments suggesting the examinations to be passed or imposing other restrictions to pass the "E.B".

(*f*) Advance increments to double graduates : No further concession apart from what has been sanctioned in G. O. No. Fl. 2682-2741—S. & A. 25-47-20, dated 14th October 1947, is admissible.

(*g*) On the questions (i) the applicability of the Revised Scales of Pay to local candidates, (ii) the applicability of I Grade to S.S.L.C. 4. Financial Secretary's letter No. Fl. 4603—S. & A. 25-47-63, dated 17th February 1948.

(*a*) For purposes of total service the entire service may be taken into account, if it is continuous without any break.

(*b*) If, in any case the initial pay according to the G. O. of 14th October 1947 falls between two stages of a grade pay, the difference will have to be absorbed in the increment on 1st January 1948.

(*c*) All absorbable Personal Allowances are to be absorbed in the weightage as per Article 45 of the M. S. R.

(*d*) The different Audit Circles under the control of the Comptroller may verify the Proposition and Allocation Statements in their respective Departments and submit them to the Comptroller for general scrutiny before they are forwarded to Government so that it may be ensured that the scrutiny has been uniform in the case of all Departments.

All the Heads of Departments.

Sir,

Subject.—Supply of Typewriters to Government Departments.

No. G. L. 3838. I have the honour to intimate that it has been complained by the Government of India that typewriters have been purchased by some of the Indian States Departments, direct from firms selling such machines, without reference to the Government of India.

It is therefore requested that Heads of Departments may please apply to the undersigned in the first instance whenever a machine is required for use by the department concerned. The matter will be taken up with the Government of India by this office.

OFFICE OF THE RATIONING OFFICER BANGALORE CITY.

Notification Dated 9th April 1948.

No. A. 4. 554—47-8. It is hereby notified for the information of the Ration Card-holders in Bangalore City that as the cages provided for making enteries of issue of rations on the existing Ration Cards do not admit of entries being recorded after 30th April 1948, printed slips providing for entries from May onwards have been issued to the several Food Grains Distribution Centres in Bangalore City for being pasted to the Ration Cards.

(2) Ration Card-holders are requested to have these extension slips pasted to their Ration Cards in their respective Food Grains Distribution Centres to which the cards are assigned. The slips will be pasted at the top only, without being completely gummed throughout as it is necessary to have scope for referring previous entries, made in the previous months.

(3) After the extension slip is pasted on to the Ration Card, the Ration Card number in red ink on the front page, with the word "Slip issued" with the initials of distributing centre and date of issue.

(4) *Declared-holders.*—As regards declared holders or others who have imported rationed articles into Bangalore City and on whose cards rationed articles have been or have to be adjusted, they are requested to draw the rations they are entitled to for April 1948 on or before the 28th instant and then present their cards at the respective Divisional Food Offices for making adjustment entries, if any. The Food Inspectors have been requested to transfer the adjustment entries to the extension slips and return the ration cards duly pasting the slip on or *before 1st May 1948.*

(5) Declared Holders are therefore requested to present their ration cards and get the extension slip from the division in which they reside. The Distributing Centres will not issue these extension slips to declared holders whose cards bear certificates of adjustment.

N.B.—It may kindly be noted that once a slip has been pasted no duplicate slip will be issued and therefore the Ration Card-holders are requested to preserve very carefully

PART III—Section 2

NOTIFICATIONS BY THE HEADS OF DEPARTMENTS

JUDICIAL DEPARTMENT

MYSORE DISTRICT.

Notification dated 11—17th May 1948.

No. G2. 3—47-48. Government have been pleased to instruct that many of the permit holders of Motor Bus Services have not got their buses fitted up with Charcoal-Gas plants and that they have therefore been issued petrol only for 10 or 15 days in a month but that they are running their services on all the days apparently taking advantage of the fact that they have credited the mileage for the entire period. Evidently the petrol for plying the services on the remaining days must have been secured surruptitiously. If the running of the services is strictly restricted to the number of trips for which petrol is issued it works hard on the permit holders on the one hand as they will have to pay mileage cess for the trips not r[illegible] according to rules, which may not appear to be reasonable and to the travelling public on the other as the usual services are not run on all the days besides causing loss of revenue to Government, if the mileage cess is recovered only for the trips actually run.

Government have also pressed the need for exercising strict economy in the use of petrol by issuing petrol on the basis of actual consumption.

To remedy the above disadvantages, Government have been pleased to issue instructions directing that all the permit holders of bus services who have not got their buses fitted up with gas plants should do so immediately and that if they fail to do so their permits would be cancelled and fresh permits issued in favour of persons who would come forward to run the services with buses fitted up with gas plants.

The permit holders of all the bus services in the District are therefore hereby requested and informed to arrange for their buses being fitted up with gas plants within a month from this date failing which their permits would be cancelled and fresh permits for running those services issued in favour of persons who could run them with buses fitted up with gas plants.

Subject :—The presentation of contingent and supplies and services bills for preaudit before the end of the Official year 1947-48.

No. 328—P. S. To avoid rush of bills in the last few days of the Official year 1947-48, all the Drawing Officers are hereby requested to send the bills to this office for preaudit, as early as possible, soon after each bill gets ready. Keeping them till the end of the month and sending them during the last few days of June 1948, will cause great inconvenience on account of sudden pressure of work in the Audit Office. Much avoidable pressure will also be thrown on the Pay Section adding to the heaviness and congestion in that section.

Bills for contingencies, supplies and services received in this office after the 25th June 1948, cannot ordinarily be expected to be returned audited before 30th June 1948.

Memorandum dated 19th May 1948.

No. E. O. 211—47-48. The question of effecting economy in the State expenditure and improving the revenue position has been engaging the attention of Government for some time past. Both in the Representative Assembly and Legislative Council also Resolutions to this effect had been brought and assurances were given by Government that the principles underlying the Resolutions were acceptable to Government. The Government have accordingly since appointed an Economy Officer.—

(i) to consider all questions of economy and retrenchment in the several departments;

and (ii) to suggest ways and means of improving the revenue position either by fresh taxation or increasing the existing rates of taxes or otherwise.

The Economy Officer would therefore be glad to receive suggestions from the public regarding measures that could be taken to secure economy in the services without impairing efficiency and also regarding sources of additional taxation that could usefully be tapped both in order to secure balanced budgets and to find funds for financing development schemes.

To assist in framing replies a questionnaire is annexed. The questionnaire is by no means exhaustive nor is it [illegible] should closely follow the question- [illegible]

Dated 31st May 1948.

Press Note.

Yarn Distribution—April 1948 Quota.

It is hereby notified for the information of the Retail Yarn Dealers and the Power Loom Factory owners that as a special case Government are pleased to order distribution of yarn towards April 1948 quota and accordingly yarn has been released to the Wholesale Dealers and they are requested to receive their quotas as before. Since some of the mills offered production for only 23 days during April 1948 the quantity available for distribution to handloom weavers has fallen short of the normal standard. As a result thereof the retailers supplying yarn to handloom industries are allotted three-fourths of their usual quota and the allotment to power looms remains unaltered, *i.e.*, they get on the basis of 18 bundles per loom as before.

Since price-marking is given up and the price of yarn has been revised by some of the mills the wholesale and retail yarn dealers who are entitled to a reasonable margin of profit based on their present purchase price are requested to see that the weaving industry gets its due share of the raw material at also reasonable prices.

There is no change in the mode of distribution and the previous arrangements hold good. Retail yarn dealers outside Bangalore District should as usual obtain permits from the respective Deputy Commissioners to draw their quotas from the wholesale yarn dealers. The allotted quota should be taken delivery on or before 10th June 1948.

SHIMOGA DISTRICT.

Notification dated 31st May 1948.

No. J2. M. C. 105—47-48. In view of the present position of shortage in the supply of petrol, it has not been possible to provide full monthly quota of petrol to Stage Carriages. Instances have been brought to notice that in the case of buses not fitted with gas plants, services are being run only during the period for which petrol is supplied and stopped altogether during the remaining portion of the month for want of petrol which has resulted in considerable inconveniences to the travelling public. The permit-holders of bus services in the district are hereby called upon to fit up their buses with gas plants before 30th June 1948 and arrange to run their services on producer gas during the remaining period of fifteen days in the month. After fitting up the buses with gas plants, the permit-holders should ensure that their buses are actually run on petrol during the period for which they are allowed petrol in each month and that the petrol so granted is not in any way diverted from its legitmate use for running the buses concerned by running their buses on producer gas throughout the month, although petrol is allowed for a certain portion of the month. Failure to fulfil these conditions on the part of the permit-holders will entail termination of their permit and issue of fresh permits to others who will agree to run their services on producer gas during the period for which petrol is not allowed and maintain continuous transport facilities to the travelling public throughout the month as laid down above.

Notification dated — June 1948

The accompanying leaflet issued by the Government of India prescribing certain restictions on account of yellow fever to persons arriving in India by air is published for the information of the public.

V. V. MONTEIRO, *Senior Surgeon.*

GOVERNMENT OF INDIA.

RESTRICTIONS ON ACCOUNT OF YELLOW FEVER AGAINST PERSONS ARRIVING IN INDIA BY AIR.

Special provisions relating to Yellow fever are given in rules 10-16 of the Indian Aircraft (Public Health) Rules, 1946. Any person arriving in India by air is detained in isolation on arrival in India for a period up to nine days after arrival if he has been exposed to the risk of Yellow fever infection and is not protected against the disease through a previous attack of Yellow fever or by satisfactory immunisation.

2 A person may be exposed to the risk of Yellow fever infection in either of two ways :—

(*a*) if he has been in a Yellow fever infected area within 9 days of arrival in India on a non-infected aircraft, the incubation period for quarantine purposes in respect of yellow fever is 9 days and if a person spends nine days outside the Yellow fever infected area immediately before arrival in India he is not regarded as likely to develop the disease.

(*b*) if he has arrived in India in a Yellow fever infected aircraft (see para 4).

3 The following areas in Africa and South America are regarded by the Government of India to be infected with Yellow fever :—

Continent of Africa.—From the mouth of River Senegal along that river eastward to the 15 degrees North parallel of latitude, thence eastward along that parallel to the eastern border of the Anglo-Egyptian Sudan, thence northward along the north-western boundary of Eritrea to the Red Sea Coast, thence southward along the east coast of Africa to the southern boundary of Tanganyika Territory, thence westward along that boundary to its junction with the eastern boundary of Nyassaland, thence northward along this boundary to its junction with the eastern boundary of Northern Rhodesia, thence southwards and later westwards along the eastern and southern boundary of Northern Rhodesia to its junction with the southern boundary of Angola, and thence westwards along that boundary to the west coast of Africa thence northward

4 An aircraft is regarded as infected with Yellow fever if it has started from or alighted in any Yellow fever infected area and subsequent to such starting or alighting, has not obtained a certificate of disinsectisation from an authority specifically approved by the Government of India for this purpose stating that the aircraft, after leaving or alighting in the Yellow fever infected area and before arriving in India, has been disinsectised in accordance with the procedure prescribed in Schedule VIII (coy attached) to the Indian Aircraft (Public Health) Rules, 1946 :—At present the following authorities are approved :—

(1) Ministry of Health of U.K. (2) The Government of Egypt.

(3) The Government of the Sudan. (4) The United States Public Health Service. (5) The Netherlands Government.

NOTE.—Countries desirous of being placed on the "approved" list are advised to study the detailed requirements as explained in the abovementioned Schedule and to approach the Government of India for being placed on the list of approved countries. CERTIFICATES OF INOCULATION AGAINST YELLOW FEVER WILL NOT BE REQUIRED FROM PASSENGERS WHO START IN AN AIRCRAFT AFTER AN "APPROVED" DISINSECTISATION AND ARRIVE IN INDIA WITHOUT THE AIRCRAFT HAVING PASSED THROUGH AN ENDEMIC YELLOW FEVER AREA EN ROUTE.

5 Satisfactory inoculation against Yellow fever is one which has been performed :—

(1) not less than 10 days before arrival in a yellow fever infected area (or embarkation in a yellow fever infected aircraft which is regarded as a moving Yellow fever infected area) or not less than 15 days before arrival in India ; and

(2) not more than four years before departure from the Yellow fever infected area.

A person reinoculated before the expiry of the 4-year period referred to above is regarded as being satisfactorily inoculated forthwith. If, however, this reinoculation is performed after the expiry of the 4-year period, the reinoculation is regarded as a fresh inoculation and in that case either of the minimum periods referred to in (1) above has to elapse before the inoculation is regarded as satisfactory. Ordinarily only those certificates of inoculation are accepted by the Government of India which are issued on the International form (prescribed by the International Sanitary Conventions 1944) by the competent authorities designated by the National Health authorities concerned and which show that inoculation has been performed with any one of the Yellow fever vaccines approved by the Government of India, namely those manufactured at any of the following Laboratories or institutions.—

1 Rockfeller Foundation Laboratory, New York.
2 U.S. Public Health Service Laboratory, Hamilton, Montana.
3 Pasteur Institute, Dakar.
4 South African Institute for Medical Research, Johannesburg, South Africa.
5 The Wellcome Research Institute, London.
6 Service Nacional de Febre, Amarela, Brazil.
7 Institute de Estudios Carlos Finlay, Bogota, Colombia.

All these vaccines have also been approved by U.N.R.R.A. If and when any further vaccines are approved by the World Health Organisation or its interim Commission the Government of India will ordinarily approve them. Any Yellow fever inoculation certificate is liable to be regarded as unsatisfactory and therefore rejected, if the Goverement of India are not satisfied that reliable arrangements exist in the country of origin for the efficient cold storage and administration of the vaccine.

6 In the rare case of a person who has been protected against Yellow fever by a previous attack of the disease the certificate of immunity against Yellow fever on the Internationally prescribed form will be accepted.

6 This bulletin supersedes the one issued by the Public Health Commissioner with the Government of India in June 1941.
